A special Christmas fund raising campaign will be held in each block from December 3 to 5. This was decided at a meeting of all block managers, Francis X. Chujo and James Ross, assistant chief of community service.

The quota for each block is set at \$35, the money to be used for the purchase of candies and decorations.

The money collected will be turned over to the Rev. Hayashi.

Block managers are slated to discuss the plans of the celebration with the residents, and are to appoint block commissions.

These commissions will work with the Executive Christmas commission and will organize the residents for the party.
