Curator's

SIERRA CLUB. NORTHWEST OFFICE
GUIDE

These records (1968-73), which were begun by Brock Evans (see Brock M. Evan's Papers) and continued by Doug Scott (1973-), primarily reflect the activities of the office during Evan's time (1968-72).

The papers have been arranged in four groups - 1) Issues Related to Geographical Areas, 2) Subject Series, 3) Miscellaneous Papers, and 4) the William A. (Bill) Conway Subgroup (Papers belonging to William Conway, a consulting forester). This arrangement, corresponding both to the original order of the papers and to the arrangement of the papers in the Brock M. Evans Papers, results in some diffusion of materials. They include primarily correspondence, reports and printed materials.
