RESTRICTIONS None			
DESCRIPTION Internal review of the departments of the School of Medicine are conducted (1) semi-regularly at the request of the dean or university administrators, or (2) as part of a departmental chair search. The reviews may consist of the review document proper, and/or ancillary documents such as departmental annual reports, annual departmental research reviews, statistical reports, journal articles, copies of departmental self-studies undertaken for accreditation review. Many of the above document types are represented in this accession, which includes reviews of two departments and one division.
